**REQUEST FOR ISSUANCE OF NEW OFFICE
ACTION AND RESETTING OF PERIOD FOR RESPONSE**

S I R:

On January 3, 2003, applicants filed a preliminary amendment in the captioned application amending original claims 1-8, adding new claims 9-16 and submitting a substitute specification. Copies of the preliminary amendment and the return receipt postcard showing receipt of the preliminary amendment by the PTO on January 3, 2003 are enclosed.

On May 7, 2003, the Examiner mailed an Office Action that does not mention or take into account the changes made by the preliminary amendment. As the preliminary amendment was received by the PTO more than four months before the mailing date of the Office Action, it should have been considered by the Examiner at the time of initial examination of the application by the Examiner.
